

Dear Parents,

On, \_\_\_\_\_, \_\_\_\_\_ we will have a  
Day Date

Reading is Fundamental Day. This will be a special day for your child. He/She will be able to select a book that he/she wishes to own at no cost to you or the child. Your child will write his/her name in it, keep it, and take it home.

RIF is a literacy program designed to give children access to a variety of interesting and exciting books in the hope of developing lifelong readers.

Part of the fun in owning this book, especially chosen by your child, is having you share and enjoy it with him or her. Please remember this is a book your child wishes to own. It is not a measure of his/her reading ability. If the book is too difficult for your child, please read it to him/her. If your child is able to read the book independently, you may have him/her read it to you. Keep in mind that our goal is to make reading fun.

Sincerely,

---
