COMBINED VIRGINIA CAMPAIGN**

## **Reading Is Fundamental of Northern Virginia**

Since 1972, Reading Is Fundamental of Northern Virginia has worked closely with volunteers in schools and daycare and community centers in Northern Virginia enabling children, at no cost to them, to choose and keep three colorful paperback books each year. This year RIF of NOVA is serving **33,000 children** at 150 sites in Alexandria as well as Arlington, Fairfax and Prince William counties. That means **99,000 books** will be chosen by 33,000 RIF children this year!

RIF of NOVA is run by volunteers; therefore, donations made to our programs are used **only** for the purchase of books. Our United Way (UW) number is **8959**, our Combined Federal Campaign (CFC) number is **18818**, and our Combined Virginia Campaign (CVC) number is **8221**. Please share this information with your family and friends. Thank you! Your support of RIF of NOVA promotes literacy and offers children a chance for a brighter future.
